You are on your way to a
Softball Canada
Canadian Championship!

You should be proud of your accomplishment . . . the many hours of practice, the participation in numerous tournaments and the personal sacrifice has finally paid off.

Softball Canada, your Provincial/Territorial Softball Association, and your Canadian Championship Host Committee are all working hard to make this a memorable experience for you.

This booklet provides teams attending the championship with an overview of what can be expected when they attend a Canadian Championship. Please take the time to read it carefully. Each year there may be changes approved by the membership and implemented the following year. These changes will be listed at www.softball.ca with the current Special Operating Rules. We hope that this booklet will provide you with the answers to most of your questions.

If you have any further questions, please direct them to your Provincial/Territorial Association or Softball Canada.

Good luck... and enjoy!

TOUCHED ALL THE BASES?

FIRST BASE: TASKS TO DO UPON QUALIFYING

RESPONSIBILITIES

Teams:

- Teams are completely responsible for ALL expenses incurred while participating at a Canadian Championship. Please ensure that all accommodation expenses have been paid prior to your final departure.

Provincial/Territorial Associations (P/T):

- Confirm participation in the Canadian Championship by June 7th (May 1st for SP) of the year of the event. A province/territory registering a team after the deadline shall be charged late fee of \$500.
- Each Provincial/Territorial Association will be charged a registration fee for each team entered into a Canadian Championship. The registration fee will be \$500 and this registration fee must be paid at the time of registration. Each Provincial/Territorial Association must submit a cheque for \$1,000 per team as a “bond” to ensure participating teams stay at the Host Hotel.

Note: A P/T withdrawing a team **after** the June 7th deadline will forfeit their registration fee and be fined an amount equal to \$1,000 (minus their registration fee). This penalty will be equally divided between Softball Canada and the Host.

- Determine team representation from the P/T. Initially each P/T in good standing shall be entitled to one representative team at each Canadian Championship. However, other representative teams may include:
 - A host city
 - Defending champions from the previous year's championship
 - Up to a maximum of 4 teams based on P/T registrations.
- Review the eligibility of players on the P/T representative team(s) roster.
- Review the eligibility of managers and coaches on the P/T representative team(s) roster.
- (FP Only) Ensure that one of the registered coaches or manager is fully certified at Level II – softball (theory, technical, practical) in the NCCP and in attendance at all games. A P/T sending a team to a Canadian Fast Pitch Championship without one fully certified coach or manager will be fined \$2,500.
- Approve, in writing, any player, coach or manager addition to the P/T representative team roster.
- Sign and send copies of the Softball Canada Canadian Championship Official Players List (OPL) and the respective forms to the Softball Canada national office, the Supervisor, and the respective Host Committee Chairperson at least two weeks prior to the tournament. In the Sr. Men's Fast Pitch category, the rosters will be made public two (2) weeks prior to the Championship. Teams arriving without forms will not be allowed to participate.

- Ensure that the P/T representative team(s) is aware of the Special Operating Rules (SOR) as they apply to Canadian Championships and in particular to the rules that dictate:
 - a) Submission of the \$1,000 Host Hotel bond
 - b) Mandatory attendance at the Coaches/Managers Meeting
 - c) Uniform requirements
 - d) Helmets (FP Only)
 - e) Attendance at opening banquets, opening ceremonies, etc.
 - f) Official Players List (OPL)
- Ensure that the P/T representative team is aware of the importance of contacting the Host Committee immediately upon qualifying for the Canadian Championship. This will assist the Host and team(s) in making travel and accommodation arrangements.
- Confirm Host Hotel booking requirements asap or at least three (3) weeks prior to the Championship.
- A province/territory withdrawing from a Canadian Championship before completing their schedule will be fined \$1,000.

COMMUNICATION

Provincial/Territorial Association: The coach or manager of each team should contact the Provincial/Territorial Softball Association to inquire about the following:

- 1) Whether the Host Committee has sent any information
- 2) If the P/T Association has made any travel arrangements on behalf of the team
- 3) If there are any funding opportunities provided by the P/T Association

Teams: The coach or manager of each team must contact the Host Chairperson immediately upon qualifying. The host has deadlines for things such as booking rooms, etc. that are very time sensitive. We have developed an “Unofficial” Players List Form to assist hosts with obtaining team information to use in the setting up of their souvenir programs and website (see *Appendix 9*). Please complete the form and submit it to the Host Chairperson immediately.

TRAVEL ARRANGEMENTS

Arrival Date & Time: One team representative MUST be in attendance for the Coaches/Managers Meeting usually held on the day prior to the first day of competition for ALL Canadian Championships. Please verify the time with the host. Teams should also make every effort to arrive on time for the banquet that is usually held at 7:00p.m on the day before competition begins.

Departure Date & Time: While some teams may want to leave a Canadian Championship on their last day of competition, it is strongly recommended that the earliest departure be scheduled for the morning after completion of the Championship in case of inclement weather and the rescheduling of games.

ACCOMMODATION ARRANGEMENTS

Host Committee: The Host Committee is responsible for securing sufficient accommodations for all participants (coaches and players only). Teams must stay at the Host Hotel(s). Your Provincial/Territorial Association will have requested a \$1,000 hotel bond at the same time the team registration fee was requested. Should a team (a “team” is defined as every player and coach/manager listed on the Official Players List) not stay at the Host Hotel, then the \$1,000 will be given to the Host Committee.

Clarification: The host team is exempt from this fee. Teams traveling from their individual residences will not be required to stay at the Host Hotel. Camping is considered paid accommodations. If teams require any form of paid accommodation, they must stay at the Host Hotel.

Team: Ensure that the following points are discussed with the Host Chairperson:

- Total number of required rooms
- Date for submission of rooming list
- Total number of nights requested
- Method of payment
- Deposit required?

SECOND BASE: TASKS TO DO BEFORE THE CHAMPIONSHIP

OFFICIAL PLAYERS LIST & REGISTRATION FORMS

Teams: Complete the Softball Canada Official Players List (OPL) from your P/T and return it to your P/T Softball Association for approval. The P/T Softball Association will then forward a completed copy of the OPL to the appropriate parties (Softball Canada, the Supervisor and the host).

These forms must be received by Softball Canada **a minimum of (2) weeks prior** to the start of the Championship.

If a player or a coach who is added during the two (2) weeks prior to the start of the Championship, the team must have a letter or email signed by the Provincial/Territorial Softball Association representative authorizing the additional player(s) or coach(es).

Each team must carry a copy of the Official Players List to the Coach/Managers Meeting or will be ineligible to participate.

TRADER PINS

MEDICAL INFORMATION

Teams: It is the responsibility of the coaches to identify and to notify the Championship Supervisor and Host Committee of any players on their team(s) suffering from a disorder or injury who might require special treatment or medical attention.

Host: . In most cases, the Host Committee will arrange for medical professionals such as physiotherapists, dentists or doctors as needed. The Host will also set up a medical area at each Championship to evaluate each medical situation.

NOTE: Please read carefully – the "HIV Prevention" recommendation in *Appendix 1*.

SOCIAL FUNCTIONS & EVENTS

1. We strongly encourage Host Committees to organize a variety of social functions for all participants at Canadian Championships. Participating teams should make every effort to attend these functions. They are an excellent opportunity to socialize with others off the field.
2. The host is required to organize a banquet for the teams at U14, U16 and U18 Championships. The Host Committee will provide tickets for up to a maximum of 21 people (maximum of 17 players and 4 coaches) for the banquet. The exact number will be determined by the individuals listed on the Official Players List (OPL). The Host Committee is allowed to charge up to a maximum of \$15 for each banquet ticket. The banquet is for the teams, but the host may choose to sell tickets to team supporters if there is room. If a team will not be participating in the banquet, please inform the host at least **one week** prior to the banquet.
3. ALL teams must participate in the Opening Ceremonies. Opening Ceremonies are **not** required for Slo-Pitch. OFFICIAL SCHEDULE

The schedule for ALL Canadian Championships should be available no later than three (3) weeks prior to the start date. A copy of all draws may be obtained from your respective Provincial/Territorial Softball Association. The official draw will also be posted on the Championship website.

NOTE: There may be revisions to the schedule made at any time.

SPECIAL OPERATING RULES

It is imperative that all coaches/managers review the Special Operating Rules prior to attending a Canadian Championship. Rules are outlined in the current Softball Canada Rulebook and shall apply for all Canadian Championships. The SOR can be viewed at www.softball.ca.

ENFORCEMENT OF AN ILLEGAL PITCH

The 'Enforcement of the Pitching Rule' (steps 1 through 4) is a guideline that should be followed by the officials for all pitching infractions.

1. If the umpire has any doubt that a pitcher's mechanic is illegal, then it shall be deemed legal.
 - Umpires will explain what is being called. Coaches must instruct the pitcher how to pitch legally.
2. Umpires will deliver a warning directly to the pitcher... "It will be delivered by the umpire who initiated the call or by one of the umpires, if more than one umpire initiates the illegal pitch call".
 - The umpire will not deliver the message through a player or coach.
 - If the coach wishes to obtain an explanation, the coach will be invited by the enforcing umpire to listen to the explanation with the pitcher.
 - The umpire will explain what was illegal and what is expected in a simple and concise manner.
 - Umpires have been instructed to answer any questions in a courteous manner. However, they will not prolong the conversation or explanation if it appears the coach and or pitcher becomes irritated with the explanation, or it appears the extra time is attracting undo attention to the situation or the umpire.
 - Umpires will hustle to their position once they feel the message has been properly delivered and understood.
 - The defensive team will not be charged with a conference unless the coach delays leaving the mound after the umpire have returned to their starting position.
3. If a pitcher commits the same violation after being warned during the game, an illegal pitch shall be called.

NOTE: No pitcher shall be warned a second time for the same violation.

4. A pitcher shall be warned for each new violation prior to the illegal pitch being called.

NOTE: Although umpire partners must share in the responsibility of not only enforcing the pitching rule mechanic when a pitcher throws an illegal pitch, only the one initiating the call will explain the ruling to a pitcher and/or team representative.

Reminder to U18, U21 and Senior Fast Pitch Teams

1. It is illegal to jump outside the 24 inch width of the plate.
2. It illegal to step back with either foot on the pitching plate.
3. The arm must be in continuous motion once the pitcher leaves the pitching plate.

THIRD BASE: AT THE CHAMPIONSHIP

Please note that all Canadian Championship teams must have more than one set of uniform jerseys, each in a different colour (light and dark). Helmets are to be worn at all Fast Pitch Canadian Championships. If a team has only one set of uniforms, please inform the Host and Softball Canada Supervisor as soon as possible.

COIN TOSS FOR HOME TEAM ADVANTAGE

‘Home’ and ‘away’ in the Qualifying Round will be determined at the Coaches/Managers meeting prior to the start of the Canadian Championship by the coin toss. . In the Championship Round, ‘home’ and ‘away’ will be determined by the round robin standing, the higher placing team will have choice of inning. If there are two divisions, the highest placing team from either division will have choice of inning. If teams are ranked equally, a coin toss will determine the higher placing team. The ‘home’ team shall wear their dark coloured uniform and the ‘away’ team will wear their light coloured uniform.

Exception: In the Championship Game, the undefeated team in the Championship Round will have the choice of inning (i.e. home or away).

PRACTICE SCHEDULE

All Host Committees will make practice times available for those teams wishing to take advantage of this service. All team requirements must be communicated to the host.

The All-Star Team will be announced prior to the start of the Championship Round. Athletes receiving an award are asked to be in attendance for the presentations between the first two games of the Championship Round.

The success and quality of a Canadian Championship depends greatly on the participation, behaviour and integrity of all teams involved. Be prepared to conduct yourselves with dignity at all times. Remember, you represent your province/territory as well as yourself! Misconduct, on or off the playing field, will not be tolerated. Teams will be disqualified from the Canadian Championships for improper behaviour. The Supervisor of the Canadian Championships, if necessary, will make this decision. Please review *Appendix 2* – Softball Canada’s Discipline Policy.

Video recording from the dugouts is not allowed.

COMMUNICATION

An arrangement must be made with the Host Committee for a local cell phone or land line for communication purposes in case of re-scheduling of games or inclement weather.

The Discipline Committee will make rulings on any incidents that occur during Canadian Championships. Incident Report Forms must be completed by all parties. These forms will be available in the Umpires' change rooms during the tournament or can be obtained from the Supervisor.

All incidents must be reported even if no further action is required. Provincial/Territorial Associations wish to be informed of all incidents involving their teams at Canadian Championships. Incident reporting may be for both on and off field incidents. See Discipline Policy (in *Appendix 2*) for a list of examples of minor and major infractions (*Appendix 4*).

In all matters of Canadian Championship Discipline, the Supervisor shall have final authority.

The reporting process will be:

Make contacts with your local media prior to the Canadian Championships, collect their contact information (see Media Contact Information Form in *Appendix 8*) and forward it to the Host Committee.

The Host Committee will add your local media to their media list and forward game results for your team. It is recommended that you contact your local media a few times throughout the week to ensure that they are receiving the results.

Theft will not be tolerated at any of the Championships. Theft of banners, signs, water jugs, etc., will be directed immediately to the local police.

Revised 2015

NATIONAL TEAM SCOUTS

National Team Scouts may be present at some Canadian Championships identifying and evaluating possible candidates for the Softball Canada National Teams Program.

DOPING

Softball Canada has adopted the Canadian Policy on Doping in Sport and as a result all softball events are subject to doping control testing. Therefore, all participants in Canadian Championships are subject to drug testing. It is important to note that due to the cost of these tests, testing may not be carried out at all events and quite possibly at any events. But you should prepare your athletes as there is always a possibility. If you would like further information on the doping policy contact the Canadian Centre for Ethics in Sport (1-800-672-7775).

HOME RUN: AT THE END OF THE CHAMPIONSHIP

APPENDICES

Appendix 1

SOFTBALL - SPECIFIC HIV PREVENTION

1. Prevention of bloody injuries includes the use of appropriate safety and protective equipment. Protective equipment should be designed and maintained to prevent bloody injuries.
2. Dealing with a Bloody Wound
 - i) If bleeding occurs where other participants, (including the official(s) of the game) may be exposed to blood, the individual's participation must be interrupted until the bleeding has stopped. The amount of time taken to treat the wound should be left to the umpire. The injured player may be forced to leave the game, and have a substitute player take their place until the bleeding stops. The wound must both be cleansed and securely covered before the athlete can return to the game. If no substitute is available, and a reasonable amount of time has been given for the injured athlete to be treated and meet the requirements to return to the game, the game is considered forfeiture.
 - ii) All clothing soiled with blood must be replaced prior to the athlete resuming training or competition. If any part of the uniform is soiled with blood, have the athlete exchange it regardless of whether it be a jersey, undershirt, or pants (shorts). Note that there will be no violation for wearing a replacement uniform of a different team colour. Clothing soiled with blood or other body fluids must be washed in hot, soapy water.
 - iii) All equipment and surfaces (especially note softballs) contaminated with blood and other bodily fluids should be cleaned with a solution of one part household bleach to nine parts water. This solution should be prepared fresh daily.
 - iv) While cleaning blood or other bodily fluid spills, the following must be done:
 - wear waterproof gloves
 - wipe up fluids with paper towel or disposable cloths
 - disinfect the area, if required
 - place all soiled waste in a plastic bag for disposal
 - remove gloves and wash hands with soap and water
3. Medical personnel should examine athletes, coaches and officials if other wounds including abrasions, blisters, skin lesions and rashes are experienced. All wounds, blisters, skin lesions and rashes must be confirmed as non-infectious and securely covered prior to the athlete starting or continuing participation.

It is also recommended for general prevention that sport participants who are traveling confirm the medical precautions and personnel available at each destination. For further information on HIV

and AIDS, contact your doctor, your public health unit or community health center, your community AIDS organization, or the Canadian Public Health Association.

All disciplinary situations involving minor infractions occurring within the jurisdiction of Softball Canada will be dealt with by the appropriate person having authority over the situation and the individual involved (this person may include, but is not restricted to, a board member, committee member, tournament chairperson, umpire in chief, coach, team manager, team captain or head of delegation).
13. Procedures for dealing with minor infractions shall be informal as compared to those for major infractions and shall be determined at the discretion of the person responsible for discipline of such infractions, provided the individual being disciplined is told the nature of the infraction and has an opportunity to provide information concerning the incident.

14. The following disciplinary sanctions may be applied, singly or in combination, for minor infractions:
 - a) verbal reprimand,
 - b) written reprimand to be placed in individual's file,
 - c) verbal apology,

 - g) other sanctions as may be considered appropriate for the offense.
15. Minor infractions which result in discipline shall be recorded using the Incident Report form in Appendix C.

Major Infractions:

16. Examples of major infractions are shown in Appendix B. Any member of Softball Canada may report a major infraction using the Incident Report form in Appendix C.
17. Major infractions will be decided using the disciplinary procedures set out in this policy, except where a dispute resolution procedure contained within a contract or other formal written agreement takes precedence.
18. Further sanctions may be applied but only after review of the matter in accordance with the procedures set out in this policy for major infractions. This review does not replace the appeal provisions of this policy.

20. The Case Manager will determine the format of the hearing, which may involve an oral hearing in person, an oral hearing by telephone, a hearing based on written submissions or a combination of these methods. The hearing will be governed by the procedures that the Case Manager and the Panel deem appropriate in the circumstances, provided that:
 - a) The hearing will be held within the appropriate timeline determined by the Case Manager.
 - b) The Parties will be given appropriate notice of the day, time and place of the hearing.
 - c) Copies of any written documents which the parties wish to have the Panel consider will be provided to all Parties in advance of the hearing in accordance with the appropriate timeline.
 - d) The Panel may request that any other individual participate and give evidence at the hearing.
 - e) If a decision in the appeal may affect another party to the extent that the other party would have recourse to an appeal in their own right under this Policy, that party will become a party to the appeal in question and will be bound by its outcome.
 - f) The hearing will be conducted in the official language of choice of the Complainant.

The decision will be considered a matter of public record unless decided otherwise by the Panel.

23. Where the Respondent acknowledges the facts of the incident, he or she may waive the hearing, in which case the Panel will determine the appropriate disciplinary sanction. The Panel may hold a hearing for the purpose of determining an appropriate sanction.
