

NCCP CLINIC HOST OPPORTUNITY

Softball Alberta is now accepting applications for teams, organizations, leagues or associations to host a NCCP (National Coaching Certification Program) Community Softball (which has taken the place of Level I).

Please note, all coaches wanting to coach at a Provincial Championship that does not lead to a post-provincial are required to be Community Softball trained or Level 1 Certified (exception U10).

Hosts are responsible for the planning and organization of the clinic which includes:

- Securing a **classroom and gymnasium** for two days which would include paying for the facility use of a **screen and digital projector/smart board** to show PowerPoint presentation, **whiteboard/flip chart** and **speakers for video** in the room.
- Providing a contact person for the registration which would include the opening up of facility on the two days of the clinic.
- Equipment required: at least **one ball per person** in attendance along with **other equipment deemed necessary by the instructor**.
- Payment is due for a minimum of 10 coaches 1 week prior to the clinic. **The cost is \$100 per coach + GST = a non-refundable pre-payment of \$1050.** An invoice will be issued after the clinic for the number of coaches above the minimum of 10.

Softball Alberta is responsible for the following:

- Organizing an instructor for the course and ensuring that the instructor contacts the host prior to the clinic
- Pay the expense of the instructor including their honorarium, their travel expenses, their accommodations expenses and any other incidental expenses to instruct the clinics.
- Providing all Community Softball material and CASA Rulebook per participant.

Should you wish to book a clinic please contact Softball Alberta as soon as possible, so that we may begin the process of planning a clinic in your community. **Clinics should be applied for no less than 3 weeks before the clinic date.**

All clinics will be posted on our website at www.softballalberta.ca once the clinic is confirmed.

** If you are having trouble registering the minimum of 10 coaches, it is recommended to try partnering with another association close to you. It is also recommended to collect registration payment from coaches registering with you prior to the clinic to reduce the chance of them cancelling or not coming to the clinic.
